Happy Holidays & Retirement!

CLASSIFIED PROFESSIONALS HOLIDAY LUNCHEON

The Classified Senate’s annual Holiday Luncheon was held this year on December 16th and included a celebration of our retirees: Donna Dery, Pam Kollar, and Jim Beckham (who will retire in June 2020). It was a potluck lunch with lots of good food, friendships, holiday spirit and music, treats, and prizes. Happy Holidays!
The Norco College classified community celebrated the end of the fall semester with a ton of holiday spirit at holiday parties around campus. The college held its holiday party with a beach theme on December 12th with CSEA Chapter 535 celebrating the holidays with a party the next day.

Both events provided classified professionals an opportunity to get together and have some well-deserved fun after a very busy fall semester. Food, fun, and prizes created a whole lot of smiles as classified professionals looked forward to the winter break and some needed time off.

CLASSIFIED PROFESSIONAL COMMUNITY

Classified professionals closed out the year with hard work, friendships, and holiday spirit. You can always find a smile passing by someone's desk. We do it all the time! Whether it be in the College Police office, Student Engagement Center, or the CACT building (see our pictures below), classified professionals are the heart of Norco College!

The Staff Professional Development Committee met and has planned the workshops for Staff Development Day including technology training on Adobe Creative Cloud, communications in the workplace, social media, a growth mindset, and more! Breakfast and lunch will be provided as well as prizes! The committee is also working on a Guided Pathways Retreat, possibly off campus, on February 12th. More info to come soon.

Share your news with us! We love to celebrate your birthdays, announcements, successes, and more with your classified professional family! Send your news and a photo to the Communications Committee and we'll post it on social media or feature you in the Newsletter! Stay connected on Facebook, Instagram, Twitter.
