TO: Anthony Muniz  
Ruth Leal  
Leona Crawford  
Gustavo Segura

FROM: Sylvia Thomas, Acting Interim Chancellor

Thank you for your presentation to Executive Cabinet regarding the Norco College Classified Senate (NC CS).

As evidenced by Monday's meeting, Executive Cabinet members had a number of questions and comments about the NC CS. From your presentation, it appears that the NC CS is a substructure of the CSEA. As such, CSEA may delegate defined responsibilities to the NC CS. Since the Board of Trustees already recognizes the CSEA, recognition of a Norco College Classified Senate, structured in the manner presented at the March 24 Executive Cabinet meeting is a matter for Norco College's consideration rather than that of the Board of Trustees.

I'm confident that you will work in a collaborative manner with Norco College through its strategic planning process to advance these discussions.
